

Richard & Nancy Wallace

Keynote Speakers & Corporate Trainers

Communication, Trust, and Workplace Relationships

Co-Founders, Relationships Reimagined®

Helping leaders reduce communication breakdowns, strengthen trust, and build teams that work better under pressure, across distance, and across generations.

HOW WE HELP ORGANIZATIONS

Richard and Nancy help leaders recognize the patterns shaping communication, trust, conflict, and accountability, then apply that insight to strengthen leadership and team performance.

CORE EXPERTISE: Leadership Development · Organizational Transformation · Executive Communication · Emotional Intelligence

Strategic Planning · Team Effectiveness · Technology Leadership · Enterprise Program Leadership

SELECTED PROGRAMS

The Clearer Team™

How hidden patterns shape communication, trust, and accountability.

Communication Under Pressure

Leading conflict, feedback, and high-stakes conversations.

Connected Across Distance

Building trust and accountability across hybrid and distributed teams.

Entering Work Without the Hallway

Helping early-career employees learn the unwritten rules of work.

Best for: Corporate conferences, leadership summits, HR and L&D programs, manager development, executive retreats, team off-sites, professional associations, and higher education leadership programs.

Available as: Keynotes, workshops, corporate training, and customized learning programs.

WHAT ORGANIZATIONS GAIN

- Fewer communication breakdowns
- Earlier, more productive feedback
- Stronger trust and accountability
- Better collaboration across teams
- Stronger leadership across distance and generations
- Stronger workplace relationships

ABOUT RICHARD & NANCY

Amazon Bestselling Authors · Co-authors of Four Books

Richard and Nancy Wallace are keynote speakers, corporate trainers, and co-founders of Relationships Reimagined®.

Richard, MBA, PMP, brings more than 30 years of technology, leadership, and university teaching experience. Nancy, MBA, PMP, brings more than 20 years of enterprise program leadership, board service, and organizational experience.

Together, they translate leadership, teaching, coaching, and enterprise experience into practical frameworks that help leaders communicate more effectively, address conflict earlier, strengthen trust, and improve how teams work together.
